### **Leadership Academy Requirements**

Open to anyone attending high school in the Washington County School District who will be a Junior or Senior in the year 2008-09 (*you don't have to be in a leadership position*). Applicant is required to have a current cumulative GPA of 3.0, and must maintain this GPA or higher during the entire school year. If a student receives a failing grade or an incomplete, NC, or a "No Grade" at any time during the 2008-09 school year, the student will be suspended from the program immediately and will not be allowed to re-enter without the written consent of his or her principal. If the student receives another failing grade, etc., they will not be allowed to re-enter the program.

Participants are required to attend all Challenge Days. If the student has a conflict due to a school-related activity that cannot be missed or made-up, the student is required to discuss their absence **in advance** with the designated District Advisor. If a student misses more than one Challenge Day, he or she will be placed on "Probationary Status," and must meet with the Academy Advisor to discuss attendance problems. Students may be dismissed from the Leadership Academy if attendance continues to be an issue.

Students will be expected to provide at least 10 hours of community service during their tenure in Leadership Academy, and will be required to create a community service project for their school towards the end of their experience. Prizes, scholarships, and possible job opportunities may become available for outstanding students.

ALL participants need to commit to the entire 2008-09 school year—with no early graduation.

The Leadership Academy is supported and financially dependent on local business contributions. These donations supplement the majority of costs associated with the Leadership Academy experience. Students who are accepted into the program are required to show their commitment by paying a minimal, non-refundable fee of \$50. If students cannot afford this fee, they may seek money from those willing to sponsor them.

For most Challenge Days, students will be required to provide their own transportation. By signing this application, parents agree to accept liability in case of an accident, as this is strictly a voluntary activity.
